## Workshop: Sociolinguistics Career Lab

*What can I do with Sociolinguistics as a career? How do I write a competitive CV that showcases my skills in Sociolinguistics? How can I present myself effectively to future employers?*

In this full-day workshop, you will meet several CSLS alumni, who will talk about their current careers and how skills from the Sociolinguistics MA inform their current work. You will also gain hands-on skills in CV writing and interviewing from a career coach, with focus on the nuances of the Swiss system and how to package skills acquired in language-based MA programs.

The workshop includes three 90-minute sessions:

- Round table discussion with CSLS alumni working in marketing, teaching, academia, UX writing, and for the Swiss government.
- CV writing
- Interview skills

**Please register via KSL by 23 October (root number: 491442)**

**This is a CSLS workshop, MA and PhD students will receive 1 ECTS for participation.**
